Hey Traders,

All right, who was it?

Who said “*there’s no way these guys can actually trade like a hedge fund?*”

Because I’ll have you know ...

You’re wrong.

Heck, I’ve worked for a hedge fund – I ought to know!

But for your peace of mind ... how about this?

[If you join my Capitol Gains program, and we don’t deliver 12 +50% winners in the first 12 months ... you can get a refund.](#)

Look, I’ll give it to you ... hedge funds have some of the best traders in the business, and they hire industry experts to help them spot the trades everyone else misses.

But that's what we've got here at Option Pit!

I'm not saying I'm the best trader in the business ...

But Richard is:

Richard D

Andrew is the best options trader and teacher I have ever met.

And if Frank wasn't so sick of the long commute and being "on call" 24/7, he could be *working for a hedge fund right now!*

So if you're the one who thought you were going to "call us out," sorry to disappoint you.

Capitol Gains is bringing the hedge fund trades to you. *End of story.*

[But there's only one way for us to prove it to you.](#)

And with that guarantee I just made you ... you've got nothing to lose.

To Your Trading Success,

AG
